A (Cybernetic) Musing: Design and Cybernetics

Writing in Cybernetics & Human Knowing, I assume we share an understand of what cybernetics is If I am wrong, there are many articles readers can refer to Design is a different matter, not least because those who originally used the word in English use it in one way, while a number of other, later, users use it in a different, restricted manner

Radical Constructivism and Second order Cybernetics

Cybernetics and Human Knowing is a journal for second order cybernetics, and the relation between first and second order cybernetics has been explored here on a number of occasions (eg, Glanville 2002), Therefore, I do not provide a section summarising first and second order cybernetics in this paper

A multi-party dialogue about power and cybernetics

Cybernetics and Human Knowing And the entire movement which calls itself "neuro-linguistic pguddemi@wellcom 2 Editor's note: In formatting this essay, we employed a hybrid of the journal's traditional use of APA style and footnoted citations to accommodate the nature of the material
